### Our New Logo

Congratulations to Lizzy Cousins  
who won the competition to design  
a new logo for Wacky Club!

## Wacky is having a Rebrand!

It was time to have a new look for Wacky so who better to design a new logo than the Kids of Wacky Club?

You will notice that the website and Facebook page have been updated.

Well done to Lizzy who designed the winning Logo - we hope you agree it's fabulous!

## General Data

### Protection Review

You will no doubt be aware that there are changes to how data is kept and used by organisations and that new legislation comes into effect in May.

To prepare for this Wacky Club are going to be in contact to make sure that you still want to receive emails from us. Please keep an eye out and importantly **RESPOND** if you want to continue receiving booking forms and other information from Wacky Club.

## THANKYOU TO SHELFORD FEAST!

Wacky received a donation from Shelford Feast, which we have used to purchase a Table tennis table. We thank the feast for their continued generous support of local groups.

Wacky will have a stall at the Feast on 15th July; we hope that Wacky parents will be able to volunteer on our stall for a short slot, to be part of this fantastic community event.

## NEW STAFF AT WACKY

*Abbie enjoys working at Wacky. Her interests are sports especially netball and badminton. Abbie loves animals (especially elephants!) and is very into nature and conservation. She has studied sports science and psychology and enjoys reading and writing.*

*Angie's interests are travelling, swimming and cooking. She has a son and a daughter. Angie also loves reading and shopping.*

## HOLIDAY CLUB UPDATE

February half term holiday club was busy with over 20 children through the doors most days!

Children enjoyed a chocolate fountain for Valentines and also Movie themed activities.

Wall-E was a big hit with both Sandwiches and Robots being inspired.

Holiday club forms have recently been sent out for Easter. Themes will have a spring feel, including an Easter egg hunt and visit to the park to complete Forest School activities. Snoopy, Trolls and Angry birds activities have been chosen by the children.

Book early to ensure your family's slot! Holiday club is also open to children from outside Shelford school aged 4-12 so please tell your friends that they are also welcome to book.

Wall-E Robots and Sandwiches

### Help us to increase our online profile

Please can you write an online Review for Wacky Club on Google or Mumsnet.

If you are on Facebook please 'LIKE' our page.

### DO YOU HAVE A SKILL OR HOBBY TO SHARE?

Do you have a flair for music, or a gift for art? Do you have an interesting job or a sporting passion? We would love local people who have a talent to share to come to Wacky and run a short session during holiday club, to showcase their skills and inspire the children. If you would like to do this please contact Jo or Rachel.
